KPI LIBRARY

Your guide to the _____ KPI Library

Hello!

This guide will help you orient in all possibilities offered by the KPI Library.
Learn, research, relax and develop yourself with the Library :)

USE THE SERVICES

- take books home or order delivery by mail
- order books from other libraries
- order e-copies of parts of books/articles to your e-mail
- get a list of sources by topic (your essay, coursework, dissertation, etc.) or for the syllabus or accreditation of an educational program
- get consultations for research
- attend educational events
- get the UDC index for your work
- use the internet/wi-fi
- work on computers
- get some advice on «What to read» based on your taste and wishes

Read more about all this in the **«Services»** on our website.

USE INFORMATION RESOURCES

The library is available from home! Search / order / read the information you need here:

Catalog+
- 2.4 million books
- all KPI publications
- multi-topic databases
- digitized publications from the library fund

And also traditionally on the shelves in our reading rooms you will find:

3.5 – rare and valuable books
4.2 – magazines, newspapers
6.2 – Fiction and socio-economic literature
6.3 – scientific and technical literature
6.6 – dissertations, abstracts, scientific and technical documentation

CHOOSE A SPACE FOR YOURSELF

The KPI library is your open space. Choose the space depending on your needs. There are three types of zones - green, red, and orange - you can work in silence or amid the noise, alone or in a team.

Among these spaces:

- Belka student space
- Lampa electronics laboratory
- Greter and Kryvanek educational studios

- a training center with computers
- traditional reading rooms
- huge halls
- relax zone
